Answer the Call Catholic Men's Conference January 2010 Briefing Meetings

Brothers:

Thank you for your past leadership. We are about to kick-off a series of Briefing Meetings for all Parish Conference Leaders (PCLs). The meetings are designed to last One Hour. As mentioned in earlier mailings, the 2010 *Answer the Call* Catholic Men's Conference will be on Saturday, March 20, 2010 at the Cincinnati Music Hall. Speaker bios are on the reverse side of this letter.

The purpose of this letter is threefold:

1. To thank you for your willingness to assist us this year as a Parish Conference Leader.
2. To urge your attendance at an important Briefing Meeting. Dates, times and locations for these meetings are enclosed. Choose the most convenient one for your circumstance.
3. To seek your help in getting priests to join us at the conference to hear Confessions and to con-celebrate Mass.

The Briefing Meetings will provide some context for this year's Conference, and provide you with information to assist you in your Parish efforts. We will also distribute posters, flyers and other materials that we've developed to help you spread the word at your Parish. Lastly, we will solicit new ideas through our group discussion and brainstorming about how we can reach out further to invite every man to the Conference from your parish, at your work or anyone else with whom you might be in contact.

As you will note from the attached, there are several Briefing Meetings scheduled at various times, dates and locations. Please plan to attend one that best fits your schedule. Please ask someone to attend a meeting in your place, if you are not able to attend.

A Block Ticket Order Form is also enclosed!

You can contact us directly at cmf@thecall.org or call 513-321-4673 with questions or concerns, for brochures & posters, etc. Also, you can get updates and materials for promoting the conference at your parish by visiting our website at www.thecall.org and refer to the paragraph "Men – We Need Your Help at the Parish Level!"

All His Blessings,

Mike McNamara
Conference Co-director

Gus McPhie
Conference Co-director

Important P.S. to Pastors & Priests: We would greatly appreciate help with Confessions, and/or Communion at the Conference. Information will be mailed in the near future.
